The original separate WCs were more useful.</p> <p>The popular outdoor beer garden was never overly noisy, and should be allowed to be open in the evenings.</p> <p>Regards.</p> |
| 2023/5228/P | Caitlin Chatterton | 13/01/2024 16:16:54 | COMMNT | <p>These plans sound like a great of reopening the Black Cap and serving the community that so desperately wants it back.</p> <p>The cabaret and community space downstairs is what made the Black Cap so special, as it was a safe space for all members of the community. Reopening it with the improvements detailed in these plans will be a fantastic asset to Camden, both in terms of economics and in promoting the community spirit the area is known for.</p> |

I don't live in Camen now but still work there and definitely plan on returning to the Venue when it reopens. I know a lot of my friends have also missed the place.</p> <p>The Building Plans for the venue sound very similar to the previous Cap layout.</p> <p>I really hope it happens, it'd be great to have The Black Cap back and open to the Community. Bring it on!</p> |

It won't attract ASB, they go to some of the awful places nearby! It is an amazing place anf sorely missed, part of the fabric of Camden. I fully support and would like to receive more info inc date of Planning Committee. I live close by.</p> |
