2023/4265/P	Victor Ashby	18/01/2024 09:55:42	SUPPRT	<p>My wife and I noticed the sign for this application, as we regularly visit the pub next door. We support this project, as it would revitalise a building that currently looks quite old and could use a facelift. The changes are well thought through, and respectful of the architectural environment. The subtle upgrades would look much nicer than some of the previous constructions that are currently visible on nearby streets like Regents park road. We look forward to seeing tasteful work done that preserves the look and feel of one our favourite neighborhoods.</p>
