2024/0094/P	Sue Mcneill	20/01/2024 00:41:48	INT	The original planning application for this building was in question and was opposed by all residents in the area and still managed to get built. The thought of expanding this out of place commercial enterprise is appalling. Nearby residents including myself have had to complain several times about the noise. One time when I complained about the noise I was told they couldn't do anything as the guests were paying and enjoying themselves! Why on earth does this building need to be expanded. Holmes Road is already extremely busy do not add to this. The developer does not need this expansion apart from greed.
