Subject: Fully opening shopfront at 7 Neal's Yard

[REDACTED]

Hi there, hope you are well.

I am a Camden resident and I would like to object to the application for a fully opening shopfront at 7 Neals Yard (2023/4836/P).

My understanding is a fully opening metal shopfront is against Camden policy in the first place. It will be very noisy for residents.

Thank you.

Best,
Penny
