2023/5228/P	Kenny Munnelly	29/01/2024 12:48:15	COMMNT	It's great to see plans for the Black Cap to be reopened. It should never have been closed and was a big loss to all of the London LGBTQ community and to the Camden nightlife scene. The new arrangements appear to reopening it exactly as it was which is great. So many people will be delighted to return to this venue which was there for decades as an LGBTQ venue and a pub since the 1700s.
