Description of the Proposal

Please note in regard to:

- **Fire Statements** From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or <u>access the fire statement template and guidance</u>.
- **Permission In Principle** If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u>.

Description

Please describe details of the proposed development or works including any change of use

- The proposals look to remove all existing single-glazed timber framed casement windows and replace with a more fit for purpose double-glazed timber composite tilt and turn windows.
- The proposal includes to replace all single glazed timber patio doors with a more fit for purpose double glazed timber composite patio doors.
- The main and terraced roof works include the renewal of the existing flat roofs with a proposed 'Bauder total roof system.'
- -The main roof works involve the installation of a 'Latchway' man safe system and a cat ladder for maintenance purposes. The main roof will be required to raise in height by three brick courses in order to facilitate the installation of the cat ladder.
- The proposed works will include increasing the height of the terraced handrail by adding a supplementary rail
