

Proposed traditional timber door to match the style and proportions of the existing sash windows. Structural opening to remain.

Toughened glass balustrade

Relocation of existing staircase to provide access to garden

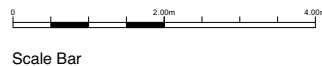

Minimal glass sliding door system

**Disclaimers:**

All dimensions are to be confirmed on site. Zac Monro Architects takes no responsibility for any dimensions that are obtained by scaling this drawing. If no dimension is given, it is deemed to be the responsibility of the contractor to ascertain the dimension from site measurement before any fabrication takes place. Any discrepancies are to be brought to the attention of the Architect before the work is carried-out.
