Dear people of the planning department. I received a letter notifying me of the imminent destruction of a fine tree, in my neighbour's garden.

38 Dartmouth Park Road, NW51SD App.Ref: 2024/0325/T

I wish to lodge a challenge to this on the grounds of:

Unnecessary destruction of asset.

Privacy > we will be overlooked by numerous neighbours.

Sound.

Habitat > this tree host numerous species of insect, animal, bird.

Climate.

Thank you.

Paul
