Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

Erection of a three storey plus basement building comprising 6 Class C3 flats (1 x 4 bed, 3 x 3 bed units and 2 x 2-bed units) with balconies at rear following the demolition of the existing house consisting of 1 x 3 bed and 1 x 2 flats. The house is adjacent to a car park within the site, which was formerly a builder's yard. The site is located on the south-western side of Ravenshaw Street, where the road bends and the site backs onto a railway cutting. Ravenshaw Street, and the surrounding area, is predominantly residential, comprising mainly two-storey dwellings. The site is not located within a conservation area, nor is it listed. The site is within the Fortune Green and West Hampstead Neighbourhood Area.

Details of the pre-application advice received

R Tulloch 2014/7373/PRE - 13th Feb 2015

Conclusion to 8 pages of advice: "The height, bulk and massing of the proposed scheme is considered appropriate and the restrained design is an appropriate response to the location. The proposed residential accommodation would largely comply with the relevant residential development standards. A noise/vibration report and air quality assessment would be required to demonstrate that future occupiers would not suffer as a result of the site's proximity to railway lines. The proposal is not considered harmful to the amenity of adjoining occupiers in terms of noise or overlooking, but a daylight/sunlight report would be required to demonstrate that the proposal would not have a detrimental impact on daylight or sunlight to neighbouring properties."

T Sild - Email 30th Sept 2019

Extract: "Rich and I have reviewed the revised scheme with input from the design team. There has been considerable progress with addressing the rear of the building with the left hand side (viewed from the rear) presenting an appropriate design which responds well to the context of the adjoining houses."

D Peres Da Costa - Emails on 25 Sept 2023 & 23 Oct 2023

Extract: "Having reviewed your proposal, the rear elevation seems much improved and it seems more likely we would be able to support your scheme (subject to internal review within my team), although we are likely to suggest some minor amendments to improve the design."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
