| 2023/5148/P | Anthony John Stuart Jennings for Bloomsbury Conservation Area Advisory Committee | 02/02/2024 14:52:45 | OBJ | We have no objection to the removal of opaque glass blocks and insertion of new lightwell grille window in pavement. However we object to the proposal to replace the ground floor window. The existing window and its shape and size and the existing shutters are important heritage items and must be retained.
