

Dear Ms. Smith

Re : Planning Ref: 2023/4898/P

I live at 13 Willoughby Road. 2 ½ Rudall Crescent is very near the rear of my house and I wish to strongly object to the planning application named above. The proposed roof terrace would be so adversely noticeable from my garden and would rob me of light and skyline. Any new construction would put my garden in shadow and severely affect my quality of life in my home.

Thank you for your attention.

Yours sincerely,
Jenny Macdonald-Hay
