2023/3816/P	Alex Shinder	11/02/2024 15:42:41	COMMNT	<p>The garages are unattractive and some form of development is clearly desirable. That said as a responsible developer myself I have a number of concerns:</p> <ol style="list-style-type: none">1. the mass and volume are too large2. the amenity and light to number 12 are too impacted3. consideration should be taken into account of the vegetation destruction and soil levelling that already has taken place pre approval. <p>All said one storey less would be appropriate.</p>
