Dear Sir/Madam,

**2024/0473/T Tree works**

Further to your letter of 6<sup>th</sup> Feb, there is no Plum Tree in the rear garden of number 23 Belsize Park Gardens – neither in my part of the garden, nor on the patio of my downstairs neighbour.

There may be one in the garden of number 21, but this application does not concern that property and **the application is erroneous.**

Yours truly,  
Jason Bevan
