

This architectural section drawing illustrates a cross-section of a residential building. The structure features a gabled roof with a green roof section on the left and a brown roof section on the right. The walls are constructed from brick. A large window with multiple panes is located on the left side of the main structure, and a smaller window is on the right. The house is surrounded by trees and a fence. The drawing includes a green roof section, a brown roof section, and a green roof section. The house is surrounded by trees and a fence.
