2023/5338/P	Gerard and Judith Ryan	13/02/2024 11:58:13	OBJ	<p>Please find our OBJECTIONS to this planning application, in the attached pdf. This pdf has also been emailed directly to the case officer Elaine Quigley and to Camden Planning with the subject title of email 2023/5338/P Objection GR&JR 13FEB2024</p> <p>Comment; we note that this submission is very opaquely organised on the portal, which made it very difficult to navigate for review. The list of 'related documents' are organised by title - without the drawing numbers. This has made it very difficult to cross relate and review. Some drawing titles are not consistent between the documents.</p> <p>As this application seeks full planning permission, some drawings should be weeded out as they are not relevant to this application and would have unforeseen consequences by being included.(eg the M&E details of radiator skirting supply pipes).</p> <p>Attachment : 2023/5338/P Objection GR&JR 13FEB2024 RED</p>
