Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- An existing use
- Existing building works
- An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

We understand that the French doors in the third bedroom / study were installed by a previous owner. We know that this was pre-2006 as the current owners know two previous occupants and it predates their ownership. However the lease plans show a window in this location and we have been asked by the leasehold team to request a lawful development certificate for this historic change so that updates can be made to the lease plans.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- The use began more than 10 years before the date of this application
- The use, building works or activity in breach of condition began more than 10 years before the date of this application
- The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- The use as a single dwelling house began more than four years before the date of this application
- Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- Yes
- No

Please state why a Lawful Development Certificate should be granted

French doors have been in place for over 18 years and have no visual impact as cannot be seen by any neighbours or surrounding buildings as are in a sunken terrace area under a staircase.

We have a declaration from the owners that the doors have been there since before they moved in, including a photo of the room from the online advert for the flat in 2017 and the photo shows the doors in place.
