I refer to the above details.

An appeal has been made to the Secretary of State against Camden's refusal of planning permission for the above proposed development. Notification about the the planning application was provided after its submission by a site notice posted locally. We have forwarded any representations made to us on the application to the Planning Inspectorate (PINs). These will be considered by the Inspector when determining the appeal.

PINs requires the council to notify adjoining occupiers and previous correspondents directly about the appeal. However as this appeal is proceeding under the fast track Householder Appeals Service (HAS), there is no opportunity for you to submit new comments to PINs. This appeal procedure however does allow 3<sup>rd</sup> parties to **withdraw** any previously made representations, if they wish to do so, within 4 weeks.
