

PROPOSED PLAN
AMENDED REDUCED FOOTPRINT
Extent of proposed basement fits entirely within the footprint of the previously approved scheme and reduces the area of the basement by 610sqm
[Approved Double-storey scheme 1,413 sqm vs. Proposed Single-storey basement 805 sqm]

Existing piles laid as part of commencement of works granted under Certificate of Lawfulness 2018/4258/P retained and incorporated into basement structure

APPROVED 2011/5102/P BASEMENT AND 2 STOREY LINK
PROPOSED BASEMENT PLAN

PROPOSED BASEMENT IS SINGLE-STOREY AND THEREFORE
OMITS DOUBLE STOREY BASEMENT EXCAVATION.
