

## **Job Profile – Electrician**

**Job Title: Electrician**

**Job Grade: Level 3 Zone 1**

**Salary Range: £36,141 - £40,817**

### **About Camden**

'Camden is building somewhere everyone can thrive, by making our borough the best place to live, work, study and visit. Because, we're not just home to UK's fast-growing economy. We're home to the most important conversations happening today. And we're making radical social change a reality, so that nobody gets left behind. Here's where you can help decide a better future for us all.

### **About the role**

To carry out electrical repairs, maintenance, renewals and replacements ranging from routine reactive repairs to complete rewiring of properties and other major refurbishment work in occupied and void housing properties and other Council owned premises in accordance with current electrical regulations and standards.

To carry out works to a consistently high standard of quality and customer satisfaction and complete works "right first time".

Maintenance work requires an adaptable approach to be taken in the delivery of services to tenants, leaseholders and other customers. The post-holder will be required to use their skill and judgement in diagnosing building faults to determine the best solution to resolve repair problems.

### **Main Duties:**

- Undertake all aspects of electrical repairs, maintenance, renewals and replacements ranging from routine reactive repairs to major renewals and rewiring in occupied and void properties.
- Fault finding and diagnosing the causes of electrical faults to identify the most appropriate solution to be applied. Take account of the need to reduce repeated faults and visits and ensure the most cost effective solution is applied under the circumstances.
- Ensure all work complies with current electrical regulations and standards and the safety of residents is maintained at all times.
- Responsible for completing repairs in keeping with "Right First Time" principles and ways of working.
- Responsible for ensuring that any follow-on or related repair works are identified where these cannot be completed during the first visit. Providing sufficient detail to enable work to be planned and scheduled for completion at the next appointment
- Providing excellent standards of customer care at all times, acting as an ambassador for the repairs service and the Council.

- Ability to working alone and independently with minimal levels of supervision, taking ownership and using initiative to resolve electrical defects and problems, obtaining guidance when appropriate.
- Responsible for maintaining contact and working collaboratively with Repairs Team Supervisors and Planners to provide updates on the progress of work to ensure overall service objectives are met.
- Ensure safe methods of working and full compliance with health & safety regulations are met at all times. Maintaining up to date knowledge and understanding of current standards, regulations and best practice appropriate to your specialist trade, including but not limited to;
  - Safeguarding
  - Lone working
  - Asbestos awareness
  - Working at heights
  - Manual handling
  - Control of Substances Hazardous to Health (COSHH)
- Responsible for the use, storage and safe keeping of plant, materials and other consumables ensuring waste is minimised.
- Responsible for the use of a Council vehicle, where allocated, and to ensure the vehicle is used in accordance with the Council's policy and procedure.
- Carry out all work to professional standards in a productive manner to ensure the best value for money is achieved in completing repairs and minimising waste.
- Complete all electrical certification in accordance with NIC EIC requirements or other approved electrical bodies.
- Complete all documentation required for the proper running and administration of the service in an accurate and timely manner including; daily work records, time sheets, material schedules, requisitions and the like.
- Interpret and work from drawings, specifications and other instructions.
- Communicate effectively and courteously and use new technology including smart phones, PDA's, etc. as required
- To provide on the job training, instruction, feedback and guidance to apprentices and other trainees when required.
- Assist the Repairs Team Supervisor in appraising and supporting the development of apprentices.

#### **About you**

- Able to diagnose electrical faults and defects and identify cost effective repair solutions
- Ability to use electrical testing equipment in the diagnosis and completion of electrical repairs
- Fully competent to carry out electrical repairs, maintenance, renewals and replacements
- Able to complete electrical certification in accordance with NIC EIC regulations or other approved electrical bodies
- Expert knowledge and understanding of electrical installations

- Experience of working in a maintenance environment on properties in occupation.
- Able to work independently using own initiative to resolve problems and defects seeking guidance when appropriate
- Experience of working as part of a team in a multi-skilled environment
- Physically fit to carry out all manual tasks associated with the work
- Knowledge, understanding and commitment to the principles of Health & Safety at Work
- Knowledge and understanding of the sequencing of building maintenance work
- Demonstrate an understanding of and commitment to the Council's equal opportunities policy as it relates to the nature of the post
- Good oral and written communication skills
- Excellent front-line customer care skills
- Ability to work with minimal supervision and manage own time effectively to meet service timescales and objectives
- Ability to use new technology for example PDA's to receive work and input data

### **Qualifications**

- City and Guilds 2365 – 02 qualification or NVQ equivalent qualification, plus AM2 – Practical skills test
- Current standard: 17<sup>th</sup> Edition BS7671:2008 requirements for electrical installations.
- Certificates of attendance in Health & Safety training relevant to the role
- The post requires a clean and valid driving licence.

### **Work Environment:**

- Electrical safety and the safety and well-being of tenants, residents and other service users is of paramount importance. Strict compliance with current electrical regulations must be maintained at all times.
- Working independently and taking ownership to resolve building problems with minimal levels of supervision
- This is a front line service delivery role with a high impact on the Council's reputation which requires excellent customer service and ambassadorial skills to be displayed at all times as the visible face of the Council.
- The role will involve regular contact with tenants, leaseholders and the general public and the majority of the work will take place in occupied properties while working alone. The post holder is expected to visit multiple properties on a daily basis.

### **People Management Responsibilities:**

- Coaching, mentoring and providing instruction to apprentices
- Assisting with the appraisal and career development of apprentices.

**Resource Management:**

- The post holder will be issued with personal impress stock, plant & equipment, which are to be held on their allocated vehicle in support of Right First Time ways of working.
- The safe keeping, proper usage and replenishment of stock items, plant & equipment is the personal responsibility of the post-holder and is monitored through regular documented audits.
- Staff may be liable to disciplinary action for any unaccounted stock, plant or equipment issued. Staff leaving the organisation may be held financially responsible for any unaccounted stock or plant issued to them.

**Relationships:**

- Team working is an essential part of the role. The post holder is expected to make a positive contribution to support the continuous improvement of the service. This includes actively identifying ways to eliminate waste, improve efficiency and reduce the costs of running the service.
- The post holder will be expected to have a thorough understanding of other job roles and how his/her actions impact on others and affect the efficiency and smooth running of the service.
- The post holder is required to take a flexible and positive approach in delivering the service with a willingness to assist from time to time in areas not directly connected with the main duties and responsibilities of the post.

**Over to you**

We're ready to welcome your ideas, your views, and your rebellious spirit. Help us redefine how we're supporting people, and we'll redefine what a career can be. If that sounds good to you, we'd love to talk

**Is this role Politically Restricted?**

Some posts at Camden are politically restricted, which means individuals holding these posts cannot have active political role. For a list of all politically restricted roles at Camden [click here](#).

**Diversity & Inclusion**

We want Camden Council to be a great place to work and to ensure that our communities are represented across our workforce. A vital part of this is ensuring we are a truly inclusive organisation that encourages diversity in all respects, including diversity of thinking. We particularly welcome applications from Black, Asian and those of Other Ethnicities, LGBT+, disabled and neurodiverse communities to make a real difference to our residents so that equalities and justice remains at the heart of everything we do. Click [Diversity and Inclusion](#) for more information on our commitment.

**Agile working**

At Camden we view work as an activity, not a place. We focus on performance, not presenteeism. We create trusting relationships, we embrace innovation rather than bureaucracy and we value people. Collaboration is the Camden way, silo working isn't.

At Camden we are proud to be one of Hire Me My Way's inaugural campaign supporters. Hire Me My Way is a national campaign led by Timewise, designed to increase the volume of good quality jobs that can be worked flexibly in the UK ([www.HireMeMyWay.org.uk](http://www.HireMeMyWay.org.uk)). Hire Me My Way aims to treble the number of available good quality flexible jobs to 1 million by 2020.

**Asking for Adjustments**

Camden is committed to making our recruitment practices barrier-free and as accessible as possible for everyone. This includes making adjustments or changes for disabled people, neurodiverse people or people with long-term health conditions. If you would like us to do anything differently during the application, interview or assessment process, including providing information in an alternative format, please contact us on 020 7974 6655, at [resourcing@camden.gov.uk](mailto:resourcing@camden.gov.uk) or post to 5 Pancras Square, London, N1C 4AG,
