2023/4996/P	Dr Joanna Myers	21/02/2024 20:39:43	COMMNT	Dear Jaspreet Chana

I live at 20 Frognal Gardens and am writing about my neighbour's 2 storey build. Given I have been asked to 'have my say', I would like it noted that the build will adversely affect the view from our living room and garden. The planning consultant letter says, "I did not get the impression that the proposed side wing would be particularly noticeable in any private views from the backs of properties on Frognal Gardens" (p 6 point 24). This, in my opinion, is not true. My neighbour is very nice and I want to have neighbourly relations but I did want a record that the build will alter the vantage point we have, the depth of our view reduced and currently beautifully green (see image below). I hope we can make our garden greener and that Dr Chan's trees grow to provide some screening.
