2024/0286/L	Gerard and Judith Ryan	23/02/2024 00:36:46	OBJ	<p>We object to this planning application and have sent our letter of objection directly to Elaine Quigley and Camden Planning, with the reference 2024/0286/L objection GR&amp;JR 220224</p> <p>As this application contains the exact same documents as the planning application 2023/5339/P, we ask that our letter of objection is accepted for that application also.</p> <p>We have noted before that we think the separation of the applications for infrastructure and windows/interiors is very problematic and out not have been allowed.</p>
