Dear Daren,

The Hampstead Neighbourhood Forum supports this proposal as it conforms to Hampstead Neighbourhood Plan DH1 and DH2 and Camden Local Plan's transport policies, including Policy T2 and paragraph 10.19:

Land is an important resource, particularly within a densely populated area such as Camden. The Council will therefore support the development of parking space for alternative uses.

Both the revised Neighbourhood Plan and the revised Local Plan stress the importance of retaining garden space for biodiversity.

Thank you for consideration of our comments,

Janine Griffis
