Dear Sir/Madam

## **The Hoo, 17 Lyndhurst Gardens, London NW3 5NU**

### **Discharge of Condition 4 attached to planning permission 2019/6151/P**

On behalf of our client, Jaga Developments (London) Ltd, please find enclosed an application, (submitted via the Planning Portal), for approval of details under Condition 4 attached to planning permission 2019/6151/P for the proposed brickwork on the Boundary Wall.

### **Condition 4**

Condition 4 states:

*“Before the brickwork is commenced, a sample panel of the facing brickwork demonstrating the proposed colour, texture, face-bond and pointing shall be provided on site and approved in writing by the local planning authority. The development shall be carried out in accordance with the approval given. The approved panel shall be retained on site until the work has been completed”.*

To address the condition, the following sample materials and sample panel have been prepared by Bowker Sadler Architects and will be available on site:

- **Brickwork Specification:** Supplied by Lambs Bricks, Handmade Rubber Range Multi Facings, Light/Medium Multi Facings, C01/02, Colour: Light/Medium Orange/Red (photos below).

To note, the Boundary Wall panels match the materials approach undertaken for the details submitted for the discharge of conditions applications ref: 2023/3565/L and 2023/4249/L, approved by LB Camden on 01/12/23). This demonstrates the Applicant's intention to ensure consistency of brick material to be used across the proposals for the whole site.

We trust you have sufficient information to discharge Condition 4. However, if you require further information, please do not hesitate to contact me or my colleague Neil Goldsmith.

Yours sincerely
