Dear Planners,

I am writing as a private individual for these two planning applications in Dartmouth Park Conservation Area, where I live.

2023/3979/P 43 Croftdown Road

This is an update of a previous application to fell the Silver Birch tree (2016/5697/P) at the rear of the property in order to extend and lower the basement, install the front light well and replace the rear widow with a door.

Permission was granted to fell a Himalayan Birch in sections on May 31st 2018 and the work was to be carried out within 2 years.

Many thanks,
Eileen Willmott
