Physical Samples

- 5no. 150mmx150mm Recycled Brick GRC colour samples showing the 5 colours that will be used in the façade
- The 1mx1m Recycled Brick GRC façade mock-up can be provided on site upon request, however, hopefully the smaller samples will suffice. A visit to our office where the mock-up is stored can also be arranged. Please let us know how you would like to handle this.

To arrange a site visit for the confirmation of the samples and for any other questions, please contact myself or our office.

Thank you,
