2023/5081/P	charlotte banks	03/03/2024 16:04:27	OBJ	<p>The proposed front facing balcony will suggest an increase level of noise in this quiet and surrounding roads. As the owner of a house with a master bedroom that is opposite `jeffreys Place, this could mean disturbance at all and any hours of the day</p> <p>The removal of the garage will put extra strain on what is already an over populated parking area in Prowse Place as there is no parking in Jeffreys Place. As the owners of no 17 Prowse Place, this would make parking outside our house almost impossible and for which we pay large sums of money to park</p>
