Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☒ An existing use
☐ Existing building works
☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

C3 - Dwellinghouses

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The property to which this application relates consists of two adjacent flats within a mixed use development. The ground floor comprises a retail unit fronting Parkway, a public house on the corner of Parkway and Albert Street and a gym accessed from Albert Street. The first floor is occupied by offices while a new steel structure forms a second and third floor of residential apartments.

The applicant seeks a Lawful Development Certificate for the continued use of adjacent 2 bedroom flat (No 3 Atlantic House) and 3 bedroom flat (No 4 Atlantic House) as single residential unit.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☐ The use began more than 10 years before the date of this application
☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
☒ The use as a single dwelling house began more than four years before the date of this application
☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
☒ No

This application is made under the provisions of Section 191(1) of the Town and Country Planning Act 1990. The applicant seeks determination whether the specified existing use, as a single dwelling, is lawful for planning purposes. The application is supported by documentary evidence which shows that the Valuation Office Agency classified the use of 3-4 Atlantic House as a single dwelling and amended the Valuation List accordingly on 1 July 2010 (Ref. 5157836). The use as a single dwelling commenced when the entry on the Valuation List recorded Flats 3 & 4 as single dwelling. The property has been in continuous use by the applicant as a single dwelling since then. The applicant relies on section 171B (2) of the Town and Country Planning Act 1990 which states that where there has been a breach of planning control consisting in the change of use of any building to use as a single dwellinghouse, no enforcement action may be taken after the end of the period of four years beginning with the date of the breach.
