Dear Mr Hodgson

2024/0012/P

I was horrified to learn about the above project and the fact that no proper consultation was carried out. Many thanks for bringing this to my attention.

I strongly object on the grounds of disruption and intrusion of privacy of the direct neighbours.

Goldhurst Terrace has a permanent shortage of parking spaces. The entire project sounds like a nightmare for the entire area.

I would ask for an extension of deadline to the consultation.

Regards
