Assessment

The site is a dwellinghouse, is not within a conservation area, is not a listed building and is not restricted by an Article 4 direction for the proposed development.

The proposal meets all the limitations and conditions of Schedule 2, Part 1, Class A for enlargement, improvement or other alterations within the curtilage of a dwellinghouse as set out in the table above. Therefore, the Certificate of Lawful Development (Proposed) should be granted.

Two objections have been received and duly taken into account in the corresponding consultation summary.
