

LIVING WALL 1 - SCALE 1:75

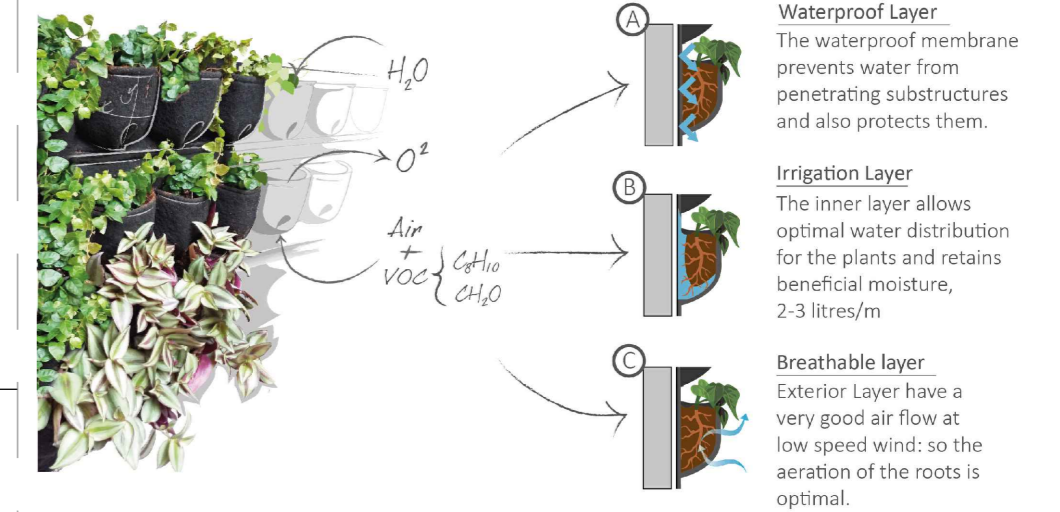

LIVING WALL 2 - SCALE 1:50

Fytotextile® Multilayer modules

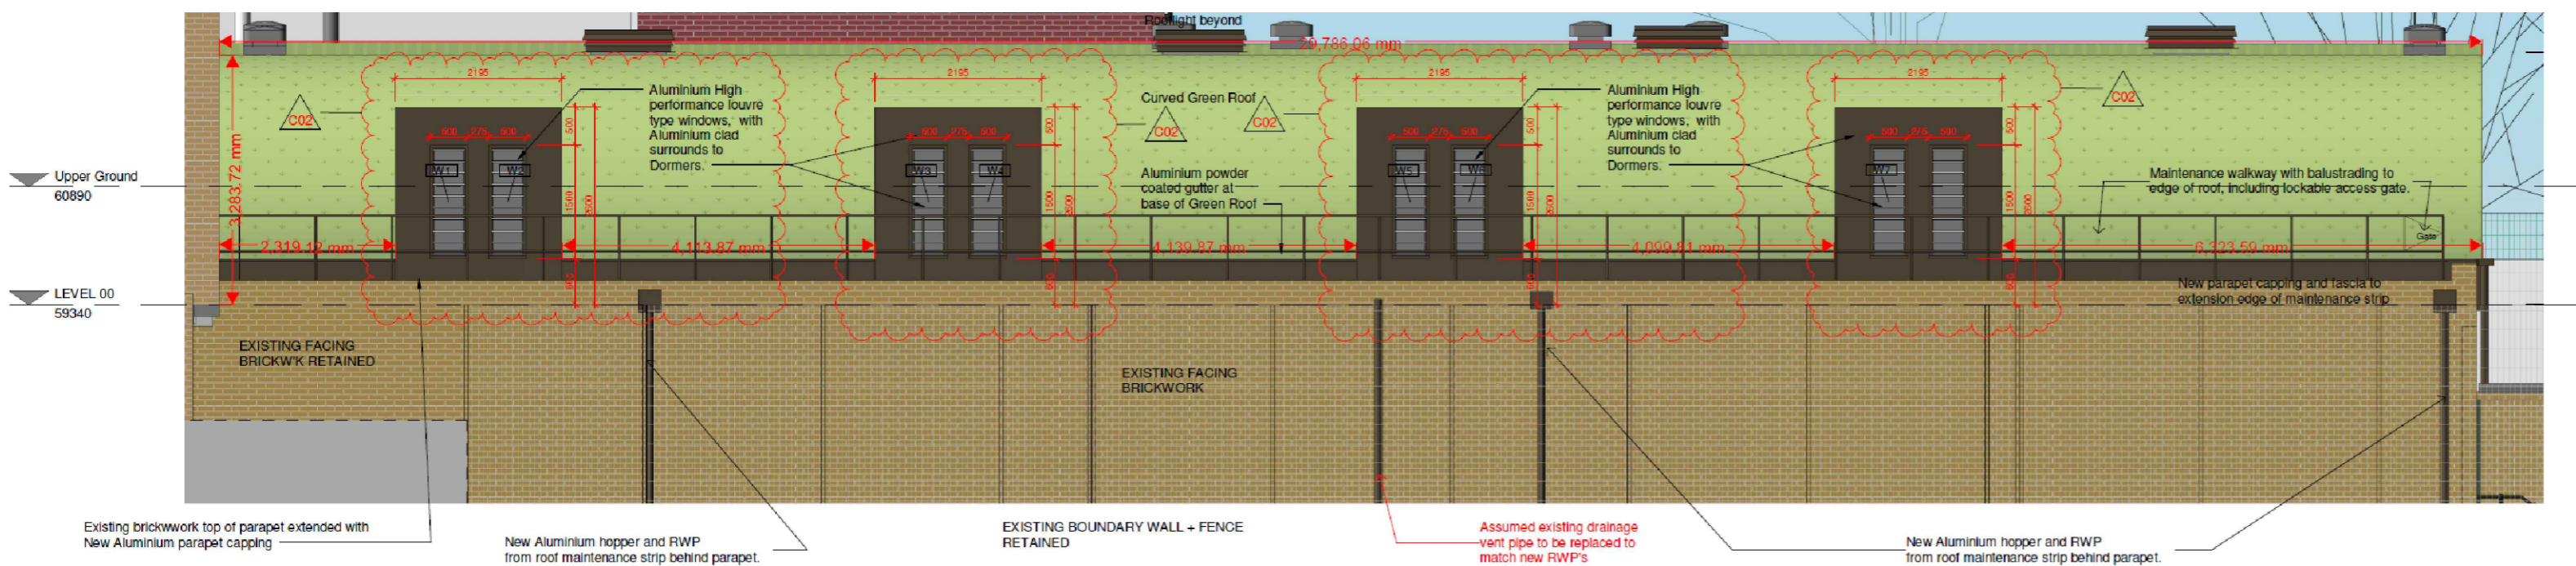

It improves the health of the plant due to its high transpiration capacity in the buried layer and establishes an **optimal balance** between water, air and substrate in the buried part of the plant

Fytotextile® Multilayer System

Instalación en 4 pasos

COV. PISO:
- INTERIOR: 15,54 m²
- EXTERIOR: 20,40 m²
TOTAL: 35,94 m²
