2024/0012/P	Alessandro vaturi	08/03/2024 12:14:32	OBJ	<p>Good afternoon,</p> <p>I am writing with regards to the development proposed for 194 Goldhurst Terrace, reference 2024/0012/P.</p> <p>I have only found out this weekend about the proposed development and want to object to it and ask for an extension of time to comment.</p> <p>The project is huge, would ruin the conservation area, and in addition also disrupt the existing limited parking on the our roads (I understand there are 48 proposed flats and only 2 potential parking spaces).</p> <p>Resident of 142 Goldhurst Terrace.</p>
