There is already an oversize sign signalling this café presence.</p> <p>There is no use for awning also as there is not enough space to put tables and chairs on this pavement as it is only 2.3 m and a clear unobstructed passage of 1.8 m need to remain on both sides pavement</p> <p>I have noticed tables of 4 being put in front of the cafe and mentioned it to the manager, as there was a clear safety issue (I saw a couple and a kid pushed out onto the road due to lack of pavement place). There was also no space for wheel chairs to pass</p> <p>Please inform the management of local rules and regulations that protects residents, wheelchair users and visually impaired people.</p> <p>There is a clear safety risk as every one will be pushed onto the road. I don't think there is technically space for outside furniture</p> <p>Thank you for your consideration</p> <p>Kind regards</p> <p>Erwan</p>
