Daren

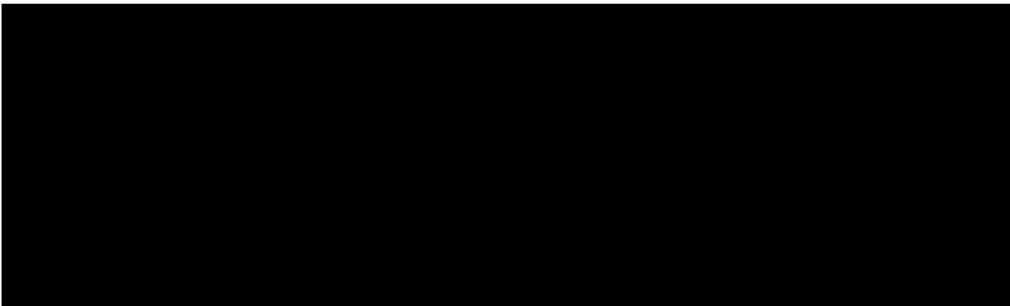

I also wish to object to this intrusive planning application.

Mark and Rosanna have lived at this address for years and their privacy has already been compromised by an earlier planning application which was agreed.

So this further application will be totally untenable if agreed. It will mean that they will be in a 'Goldfish Bowl' scenario, with neighbours overlooking from all sides.

Like my colleague Cllr Cotton I hope that it goes to committee as they can show our members the real situation which they face
