| 2022/4037/P     | Jean Hutchinson         | 13/03/2024 16:11:17 | OBJ      | I object to the removal of the condition requiring an obscured screen around this external space. I have long understood that neighbours both current and past have wanted it installed in line with the planning approval. |            |          |
