2023/4412/P	Barbara Salmon	16/03/2024 16:02:47	OBJ	<p>My concerns are as follows:-</p> <ol style="list-style-type: none"><li>1. Privacy in relation to the design of the conservatory/new Dormer Roof/loft conversion</li><li>2. Noise during the works.</li></ol> <p>I note that Anna Covell says in the planning application that no windows in the renovated property will overlook other properties.</p> <p>Please confirm therefore that</p> <ol style="list-style-type: none"><li>1. The proposed left side elevation/party wall, as per existing, will not overlook the garden/flat at the rear of 13 Mill Lane.</li><li>2. The proposed new dormer roof/loft conversion will not overlook the garden/flat at the rear of 13 Mill Lane.</li><li>3. As I work from home, I am concerned that the noise associated with the works and erection of the new dormer roof/loft conversion will make working from home impossible.</li></ol> <p>Will the building contractor be required to be mindful of neighbours working from home?</p>
