Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990

### **Advertisement Consent Granted**

Address:

**Lynton House**  
**7-12 Tavistock Square**  
**London**  
**WC1H 9LT**

Proposal:

Display of an externally illuminated (trough-lit) fascia sign consisting of individual lettering at front ground floor level.

Drawing Nos: (169-SB/-)100, 101, 102; C1562\_SBUX\_LYNTON.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
  - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);

- (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or
- (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

#### Informative(s):

- 1 Reasons for granting advertisement consent:

The proposed replacement fascia sign is considered to be acceptable in terms of its size, design, location, external method of illumination and luminance level, such that the character and appearance of the host building, streetscene and wider Bloomsbury Conservation Area would be preserved.

The proposed sign would not obscure any architectural or historic features of the building. Additionally, it would not be harmful to pedestrians or vehicular safety in accordance with the Camden Planning Guidance, nor would it have any adverse impact on neighbouring amenity. As such, the proposal is acceptable.

The site's planning and appeal history has been taken into account when coming to this decision. No objections have been received.

As such, the proposed development is in general accordance with policies A1, D1, D2 and D4 of the Camden Local Plan 2017, the London Plan 2021, and the National Planning Policy Framework 2023.

- 2 The display of a non-illuminated projecting sign as shown on the submitted drawings is considered to benefit from deemed advertisement consent, as defined by Schedule 3, Part 1, Class 5 of the Town and Country Planning (Control of

Advertisements) Regulations 2007, and therefore, does not require formal determination by the Council in the form of an advertisement consent application.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
