Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

173 Arlington Road
London
NW1 7EY

Proposal:

Erection of mansard roof extension associated with the existing residential maisonette.
Drawing Nos: (Prefix 4D-419) E00, E01, E02, E03, E04, E05, P01 rev A, P02 rev A,
P03 rev A, P04 rev A, P05 rev A

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

(Prefix 4D-419) E00, E01, E02, E03, E04, E05, P01 rev A, P02 rev A, P03 rev

A, P04 rev A, P05 rev A

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission.

The erection of a mansard roof is considered acceptable and would not harm the character or appearance of the host property. Mansard roofs are an established roof form along Arlington Road and therefore the proposal would not be out of character with the pattern of development at roof level. The mansard roof would be constructed using slate tiles which is an appropriate material for the host property and conservation area. It would incorporate four lead-clad dormers (two at the front and two at the rear) with double-glazed timber sash windows which would align with the existing fenestration below.

During the course of the application the design was revised based on Officer comments, which included aligning the front mansard slope to be parallel with the front elevation below, reducing the size of the dormers, and removing the side (south) mansard and replacing it with a flank party wall. The proposal is now considered acceptable on design grounds.

Due to the scale and scope of the proposed works, they would not cause any adverse impacts on the amenity of adjoining or nearby residential occupiers in terms of loss of light, outlook or privacy.

Two objections were received following statutory consultation, which are outlined in the associated Consultation Summary document. The planning history of the site has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Camden Town Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1, D1, and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2023.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and

emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 3 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 4 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 5 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

You can find advice about your rights of appeal at:

<https://www.gov.uk/appeal-planning-decision>.

If you submit an appeal against this decision you are now eligible to use the new [submission form](#) (Before you start - Appeal a planning decision - GOV.UK).

Yours faithfully
