Application Number: 2023/5162/P, 14A Keats Grove

I would like to **register my strong opposition** to the proposed multi-story rear extension proposed for 14A Keats Grove. It's far too big and out of character with the street (we live immediately behind the house at 38A Downshire Hill). It clearly breaches DH1 and DH2 policy of the Neighbourhood Plan. The huge extension that is being suggested will directly affect us as we live in our home.
