Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
2 Gray's Inn Square
London
WC1R 5AA

Proposal: Installation of 1 no. new gas riser to the ground floor of the front elevation and 1 no. new riser to the 3rd and 4th floors of the rear elevation (retrospective).

Drawing Nos:
23007629_PLN_EL_1.1, 23007629_PLN_EL_1.2, 23007629_PLN_LOC_2.1,
23007629_PLN_SI_3.1, 23007629_PLN_SI_4.1 and Design, Access and Heritage
Statement (November 2023)

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans 23007629_PLN_EL_1.1, 23007629_PLN_EL_1.2, 23007629_PLN_LOC_2.1, 23007629_PLN_SI_3.1, 23007629_PLN_SI_4.1 and Design, Access and Heritage Statement (November 2023)

Reason: For the avoidance of doubt and in the interest of proper planning.

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless

otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

1 Reasons for granting permission.

The pipework has already been installed and covers part of the rear elevation and a small part of the front elevation by the entrance steps. Overall the pipework is very small in scale and has a limited appearance. The pipework is black and very thin, meaning that it has a very small perceptible impact on the fenestration details of the building. Overall the retrospective works are considered acceptable.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

Due to the nature of the proposal, there will be no impact on residential amenity for neighbours.

No objections have been received prior to making this decision, the Bloomsbury CAAC have not commented on the proposal, Historic England have not objected to the proposal. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies A1, CC1, CC2, D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2023

2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2023.

You can find advice about your rights of appeal at:

<https://www.gov.uk/appeal-planning-decision>.

If you submit an appeal against this decision you are now eligible to use the new [submission form](#) (Before you start - Appeal a planning decision - GOV.UK).

Yours faithfully

Daniel Pope
Chief Planning Officer
