PLANNING

MATERIALS LEGEND

1

Facing Brickwork:
To Match Existing

2

Re-constituted Stone Coping:
Portland Colour, Wet Cast

3

Metal Railing:
Painted Black Finish

4

Metal Gates:
Painted Black Finish

This elevation drawing shows the proposed boundary wall and the existing building facade. The wall features a metal railing (3) and metal gates (4) with a painted black finish. The existing building has facing brickwork (1) and re-constituted stone coping (2). Dimensions are provided for the wall and building facade. A note indicates that a retained Yew tree has been removed from the drawing for illustrative purposes.

Please Note: Retained Yew tree removed from drawing for illustrative purposes

This plan drawing shows the proposed boundary wall and the existing building footprint. The wall is shown with its proposed location and dimensions. The existing building footprint is shown with its dimensions. The drawing includes a north arrow and a scale bar.
