Dear Planning

29 Jeffreys Street London NW1 9PS 2024/0851/T

I am the resident at this address. Permission has been sought to cut branches from the tree on my property. I object to this, as the resident/owner of 29 Jeffreys Street. There must be proper consultation with the properties' owners - there has been no attempt at consultation. I have seen the concerns raised by Jeffreys St Residents Association and agree with and adopt those concerns.

Kind regards

Fred Hobson
