Dear Vasilis

Ref: 6A Well Road, NW3 1LH, London

This statement is to confirm that a Preliminary Structural Assessment has been undertaken by Structures Lab Ltd, chartered structural engineers, for the proposed alterations to Flat A, 6 Well Road, NW3 1LH, using reasonable skill and care to the relevant standards and good practice guides. It was assessed that the currently proposed scheme is viable and it does not represent any unusual risk other than the typically associated with this type of project.

Yours Sincerely

Pedro Mesquita

Associate Director
