Dear Sir/Madam

Town and Country Planning Act 1990 (as amended)
NOTIFICATION OF AN APPEAL

The Council has been notified of Norman Property Investments Limited's appeal against the Council's enforcement notice, which has been made to the Planning Inspectorate. The appeal concerns property at:

260 Kilburn High Road
London
NW6 2BY

and the breach of planning control alleged in the enforcement notice is:

Without planning permission: installation of a flue on the flat roof of the single-storey rear extension.

and the reasons for issuing the notice is:

- development has occurred within the last 4 years;
- in the absence of sufficient acoustic information to confirm compliance with the Council's noise standards, it has not been demonstrated that the equipment installed does not cause or have the potential to cause a loss of amenity through noise nuisance to neighbouring residential occupiers contrary to policy A4 (Noise and vibration) of Camden's Local Plan 2017.

Grounds of Appeal

The appellant/s have appealed on the following **grounds (a) and (g)** as set out at Section 174(2) of the 1990 Act:

- a) That planning permission should be granted for what is alleged in the notice. (**x**)
- b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact ()
- c) That there has not been a breach of planning control. ()
- d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice. ()
- e) Copies of the enforcement notice were not served on everyone who has an interest in the land. ()
- f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections. ()
- g) The time given to comply with the notice is too short. (**x**)

The appeal is to be decided by an Inspector from the Planning Inspectorate on the basis of an exchange of **written statements** between the people who have made the appeal and the Council, followed by a site visit.
