2024/1078/P	Anastasia	03/04/2024 11:11:03	OBJ	<p>That would be very sad to give away this wonderful atmospheric building to some residential flats and offices, which will also turn to the flats soon after. There is more than just money which makes Hampstead attractive and vibrant.</p> <p>Artists were working in Hampstead originally till the prices of the area surged above the top. At the moment, thanks to the Koppel Project, artists are back in the area and working quietly in the former Police Station, making exhibitions and workshops for the community to enjoy and stay entertained. That would be fantastic if it could last longer and become even a permanent place for artists...</p>
