2023/5344/P	KMontel	07/04/2024 18:19:54	INT	<p>Hello, we have never received a letter about this application, not was the planning notice erected before school holidays, which started 15th March.</p> <p>Further, I am in receipt of Camden planning alerts. While I have the email alert from 28th February and 13th March, the one of 6th March is missing. I believe therefore that not sufficient notice has been advertised by Camden counsel.</p> <p>Thanks</p>
