2024/0728/P	S Maisel	07/04/2024 18:00:44	COMMNT	<p>Whilst I am in general agreement with the comments already logged I acknowledge that the site does need redeveloping and can see that great consideration has been given to many aspects of the development of both sites. The Fitzjohns Avenue buildings are currently an eyesore as is the wall/ temporary fencing along Nutley Terrace.</p> <p>However I must fully endorse the comments about the height of the proposed development on the Maresfield site. As a neighbour I am very concerned about having such a tall structure being out of keeping with the residential area marring the skyline. I am also concerned about what tree screening will actually be maintained along the Maresfield and Nutley borders.</p>
