Dear Sirs,

PP ref 12612275, 168 North Gower Street NW12ND

I am the owner of property at 170 North Gower Street, which is directly next to and shares a party wall with 168 North Gower Street. I have two windows opening onto the existing light well and wish to register my objection to the proposed development or any development which reduces the volume of the light well leading to a loss of light and air.

My second reason to object to this application is that the proposal will increase the density of occupancy in the property, putting more pressure on a street which does not have adequate provision for storage of refuse or domestic waste.

Laura Welsh
