Dear Sir / Madam,

**Town and country Planning Act 1990 (as amended)**  
**Re: Application for the installation of a Cycle Hire docking station (22 docking stations maximum and a terminal) on the traffic island adjacent to 34 Adeline Place, WC1B 3AH in the London Borough of Camden.**  
**Planning Portal reference: PP-12922607**

I enclose an application by Transport for London (TfL) for planning permission for the installation of Cycle Hire docking stations (22 docking stations maximum) and a terminal, which will be placed on the traffic island adjacent to 34 Adeline Place, WZ1B 3AH in the London Borough of Camden.

This application follows the [Adeline Place Area Public Realm, Pedestrian, Cycling, and Environmental Improvements – Safe and Healthy Streets Consultation](#) which occurred during October 2023. On the 12<sup>th</sup> March 2024 a decision was made by Camden Council to implement the proposed changes permanently. This includes the installation of a cycle docking station on a traffic island which is to be implemented in due course.

The Cycle Hire scheme is now a familiar public transport mode which allows people to hire a cycle from a docking station and return it to either the same or another docking station. It also encourages active travel, offers a sustainable and low emission form of transport and provides users with the fastest option for many short journeys.

The proposal is described in full in the Planning Design & Access Statement.

**The application has been submitted via the Planning Portal. It consists of:**

- Planning Application Form
- Community Infrastructure Levy (CIL) form
- Planning, Design and Access Statement – for information only
- Biodiversity Net Gain letter

- Planning Application Drawings comprising:

Drawing Title	Drawing
Adeline Place_LOC	Location Plan
Adeline Place_EP	Existing Plan
Adeline Place_GA	General Arrangement
Adeline Place_TD	Terminal Design
Adeline Place_DPD	Docking Point Design
Adeline Place_FD	Foundation Design

I look forward to receiving confirmation that the application has been received and registered as complete.

If you wish to discuss this matter further, please do not hesitate to contact TfL on [Michaelraby@tfl.gov.uk](mailto:Michaelraby@tfl.gov.uk)

Yours sincerely
