2024/1344/T	B A Abraham for The Belsize Society	10/04/2024 08:32:35	OBJ	For the Belsize Society: we object to the proposal to fell the four mature silver birch trees at the front of 9 Downside Crescent. These tall mature trees are highly visible on Downside Crescent and make a positive contribution to the streetscape. New plantings of smaller trees would not be satisfactory replacements. The base of the trees are obscured at present by temporary hoardings but, in any event, it should be possible to find alternative solutions if the trees are impacting the boundary wall.
