

Existing / Proposed Elevations

Project Name: Palmers Lodge, 40 College Crescent, London
Project No: 2946
Date: March 2024

This application seeks consent to replace the existing roof cladding with matching tiles and leadworks. All replacement tiles and lead would either be reclaimed or match the existing like for like.

Please Note

As this application makes no alterations to the external appearance of the building, we have not provided any elevation drawings.

Please see below photos of the building elevations.
